

Wheelchair Motor / Gearbox Rebuild Services for Dealers

Below are rebuild prices for some of our most popular models. These are strictly wholesale prices for dealer resale.

We strive to get your motor rebuilt, and ready to ship back to you, no longer than 5 days after we receive it in our shop.

All motor rebuilds have a 6 months warranty.

Shipping is \$30 round trip. After you have sent a request through our form on our website, you will be given an RA number and we will email you a shipping label to send the motor to us.

After rebuild is completed, you will be notified by email your motor is ready for return shipment. Included in the email will be a payment website link, where you can pay by PayPal or credit card.

If you do not see the motor/ gearbox you need rebuilt you can request a price through our form at <http://wmr2015.com/price>

To get an RA number and have a motor / gearbox rebuilt or if you have any other questions please fill out the form at <http://wmr2015.com>
